The RAV4 EV is an all-electric version of the popular RAV4 SUV produced by Toyota. Two generations of the EV model were sold in California, and to fleets elsewhere in the USA, with a gap of almost ten years between them. The first generation was leased from 1997 to 2003, and at the lessees' request, many units were sold after the vehicle was discontinued.

International law is the set of rules generally regarded and accepted in relations between nations. It serves as a framework for the practice of stable and organized international relations. International law differs from state-based legal systems in that it is primarily applicable to countries rather than to individual citizens. National law may become international law when treaties permit ...
