The Transformers comic by Marvel was the first and arguably the best known Transformers comic. Although it was originally intended to be a 4-issue limited series, it expanded into an ongoing series, which ran for 80 issues before being cancelled. The final cover read "80 in a 4 issue limited series".

The Crow is a superhero comic book series created by James O'Barr revolving around the titular character of the same name. The series, which was originally created by O'Barr as a means of dealing with the death of his girlfriend at the hands of a drunk driver, was first published by Caliber Comics in 1989. It became an underground success, and was later adapted into a film of the same name in ...
