A Macat Analysis is your introduction to a key thinker. To one of his or her most profound works. And to the whole "world" of that seminal book or paper. All in text, film, audio, and Mind Maps formats. We believe that the best way to understand and use the Big Ideas is to grasp the background against which they were created.

The book that changed the consciousness of a country - and the world. Landmark, groundbreaking, classic - these adjectives barely describe the earthshaking and long-lasting effects of Betty Friedan's *The Feminine Mystique*. This is the book that defined "the problem that has no name", that launched the Second Wave of the feminist movement, and has been awakening women and men with its insights ...

Philosopher Judith Butler's 1990 work, *Gender Trouble*, shook the foundations of feminist theory and changed the conversation about gender. While many thinkers already accepted that "gender" was a category constructed by society rather than defined by one's genitalia, Butler went further and argued that gender is performative - it exists only in the acts that express it.
