Codependency is a controversial concept for a dysfunctional helping relationship where one person supports or enables another person's addiction, poor mental health, immaturity, irresponsibility, or under-achievement. Among the core characteristics of codependency, the most common theme is an excessive reliance on other people for approval and a sense of identity.

Facing the truth of one's emotional child abuse takes a special kind of courage. But to be an emotionally healthy adult, the truth must be known, so that healing can begin, and the pattern doesn't repeat. An emotionally abused child who does not, as an adult, face the truth of their childhood is in great

When it comes to narcissists and sex, we have to understand that the narcissist has no preference in who they fuck.No preference at all. In fact, a narcissist lives in a world of no-preference where he/she finds something fuckable in everybody.Once we understand and accept this, we see clearly that the problem isn't us and that no amount of great sex that we have as a couple is ever going to ...
