African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

The African-American Civil Rights Movement was a group of social movements in the United States. Their goal was to gain equal rights for African-American people. The word "African-American" was not used at the time, so the movement was usually called The Civil Rights Movement. This article talks about the part of the movement that lasted from about 1954 to 1968.

This toolbox is not a history of slavery. As we said in Theme I, its goal is to capture the experiences of African Americans in the years of slavery. And from this point on, the documents in this Toolbox will be the voices of African Americans—their letters, memoirs, journals, interviews, poems, songs, petitions, addresses, pamphlets, newspapers, convention reports, committee expense records ...
