While the modern form of adoption emerged in the United States, forms of the practice appeared throughout history. The Code of Hammurabi, for example, details the rights of adopters and the responsibilities of adopted individuals at length. The practice of adoption in ancient Rome is well documented in the Codex Justinianus.. Markedly different from the modern period, ancient adoption practices ...

Associated terms for pregnancy are gravid and parous. Gravidus and gravid come from the Latin for "heavy" and a pregnant female is sometimes referred to as a gravida. Gravidity is a term used to describe the number of times that a female has been pregnant. Similarly, the term parity is used for the number of times that a female carries a pregnancy to a viable stage.
